

Renewal of Comprehensive Renters Resident Insurance Coverage of Rental Residents

«About Comprehensive Resident Insurance»

Tenants are enrolled in the comprehensive resident insurance during the term of the lease.

If you do not have insurance and you become the perpetrator of a water leak accident, you must compensate the victim for damages.

As example, if the victim's whole personal belongings, interior repair, temporary housing expenses suddenly occur, a huge expense will become necessary.

Due to the possibility of such accidents, we require residents to enroll in the comprehensive resident insurance.

In addition to the general fire insurance, homeowners insurance, we recommend comprehensive resident insurance that also includes personal liability insurance.
